You can help us respond quickly to your maintenance request by granting permission to enter your home using one of our keys. If you choose not to give us permission to enter, please select no below and then select a date and time you will be home and available to let us in. Please be advised that by selecting a date below you are making an appointment for maintenance.

A \$25 fee will be assessed if any of the following occur:

- Any tenant who makes an appointment, but fails to be at the property during the scheduled time.
- There is a non-kenned or unconstrained dog.
- The key to the property does not work due to changing of the locks by the tenant.
- There is an underage child (17 and under) unattended at the property.
